PVGames

Publisher:

Degica

Franchise:

Maker

Release Date: 1 Feb, 2018

English,French,Italian,German,Russian,Japanese,Korean,Traditional Chinese,Arabic,Simplified Chinese

Do not buy this DLC. It is a waste of money. It promises a bunch of things but delivers on none of them. It's pretty, I'll admit, but the actual assets you get all suck. The character creator pieces are only good if you want a bunch of people that look the same. Over-hyped. Save your money.. Do not buy this DLC. It is a waste of money. It promises a bunch of things but delivers on none of them. It's pretty, I'll admit, but the actual assets you get all suck.
